Dear Sirs

Match and Return

Application no.: 09/380,340

I am very concerned that the payment of the Issue fee was not taken by your office as per my instruction. I have enclosed with this fax the instruction for your office to debit by visa card issued on the 2nd of October 2001. You informed me

that the transaction was successful and that I should contact the office within a few weeks to ensure that everything was running smoothly. I did so on the 2nd of November and was told that the patent was still going thorough the system. I would be most grateful if you could clarify the situation as it seems that you have no record of the fees being paid. For your information I have enclosed the original instruction on the form PTO-2038, the visa card number has been scratched out for security reasons. You will notice that on the top of the page of form PTO 2038 it shows the date and time of the transmission. I have enclosed two pages with this fax, one is the PTO 2038 and the other is the fax that I had sent accompanying the form PTO 2038.

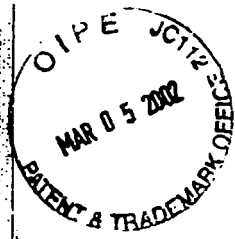

I would be extremely grateful if you could rectify this situation. If for whatever reason this payment did not go through the system I would be most grateful if you could inform me so the appropriate steps can be taken to bring up to date the Issue fee payment. Please respond by fax on the above fax number.

Kind regards

Yours sincerely

Kelvin Doyle
